

Paramount Life Insurance Offers: Globe Life Insurance

[Globe Life](#) has over 3.3 million policies in force and offers [life insurance benefits](#) through term and whole life insurance. One of their marketing geniuses came up with this idea: a \$1 pays for the first month's premium. All death benefits are level. You can get a Globe Life Insurance [quote](#) here: LINK: [Quote](#)

After the introductory period, which is the first month, the premium goes up to whatever it will be for the life of the policy. Globe provides a 30-day money-back guarantee and will [refund the policyholder's money with no questions asked](#).

Globe has a simplified [underwriting process](#) that just requires the applicant to answer a few medical questions to qualify and the coverage can never be cancelled. There is no waiting period once you get approved and the benefits will be fully applicable. Globe is a wholly owned subsidiary of [Torchmark Corporation](#) which is traded on the New York Stock Exchange. They still have a good company rating and as **of June 8th, 2009** they have a rating from AM Best of A+.
